STEP 5 :

Never use excessive force when tightening hardware. If a screw seizes during tightening, slowly unscrew and start over. If you force the tightening of the screw you risk stripping it.

60.1325 LARGE CAPACITY STORAGE REEL

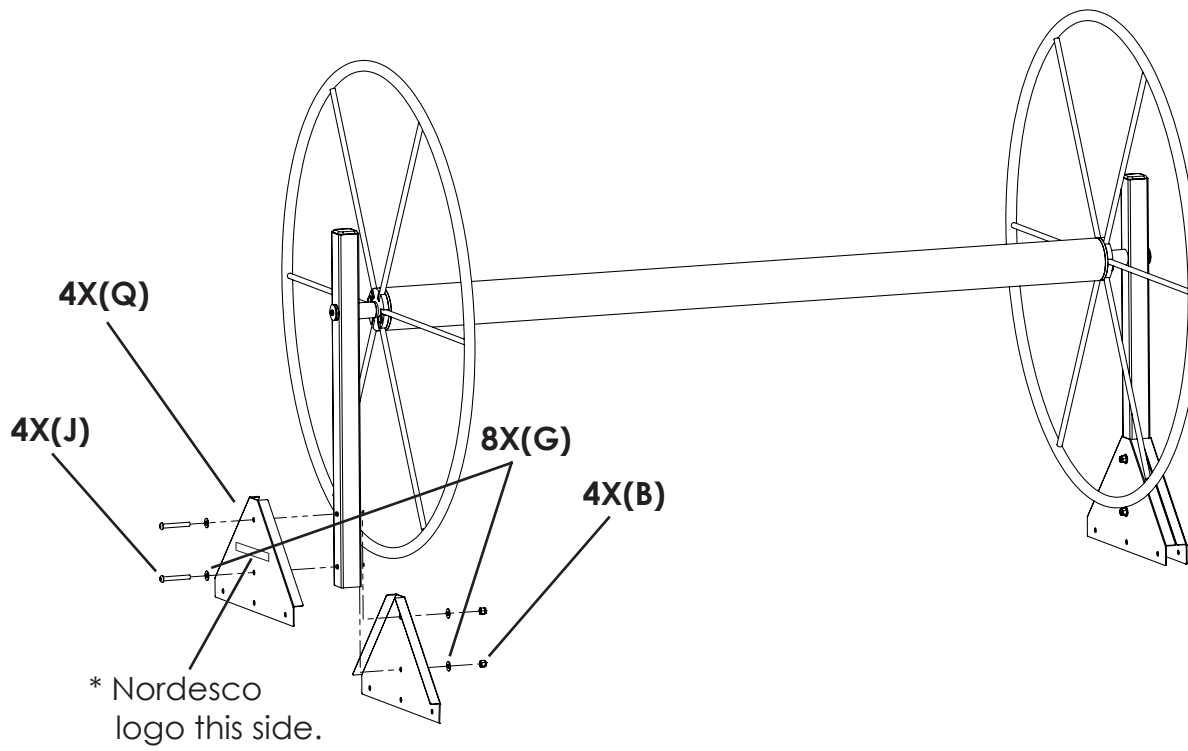

60.1425 DELUXE LARGE CAPACITY STORAGE REEL

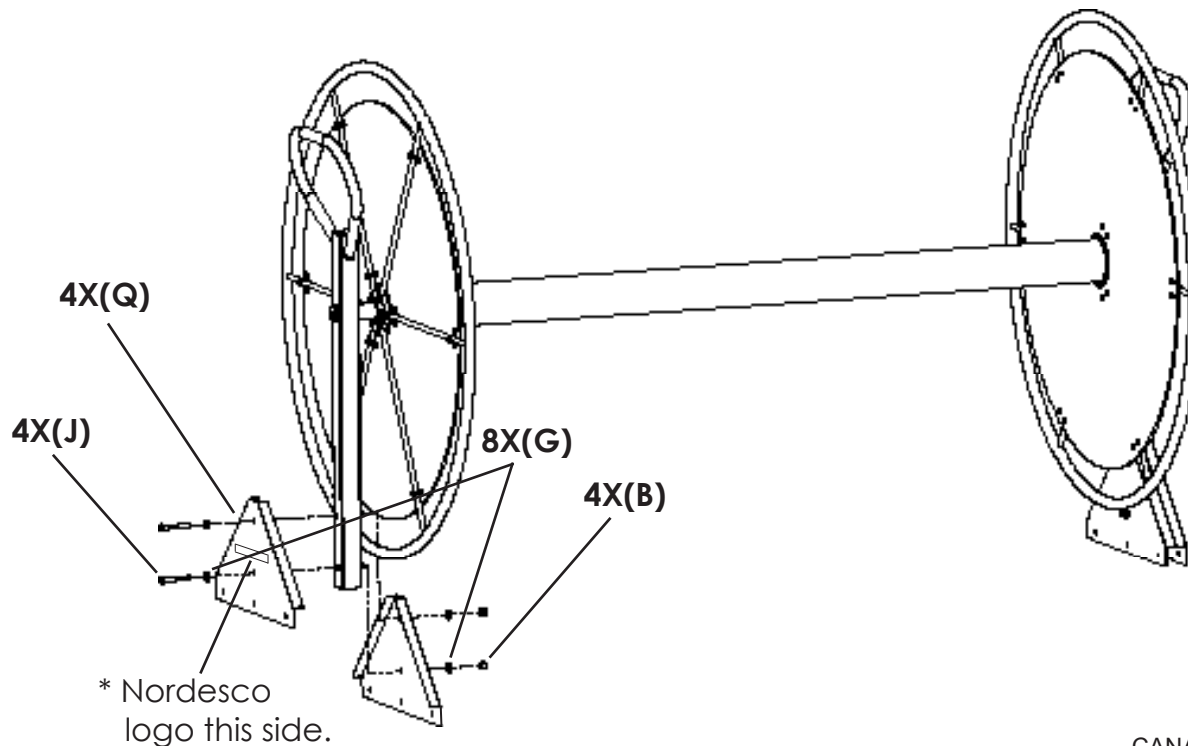

STEP 6 :

Be careful not to over tighten.

60.1325 LARGE CAPACITY STORAGE REEL

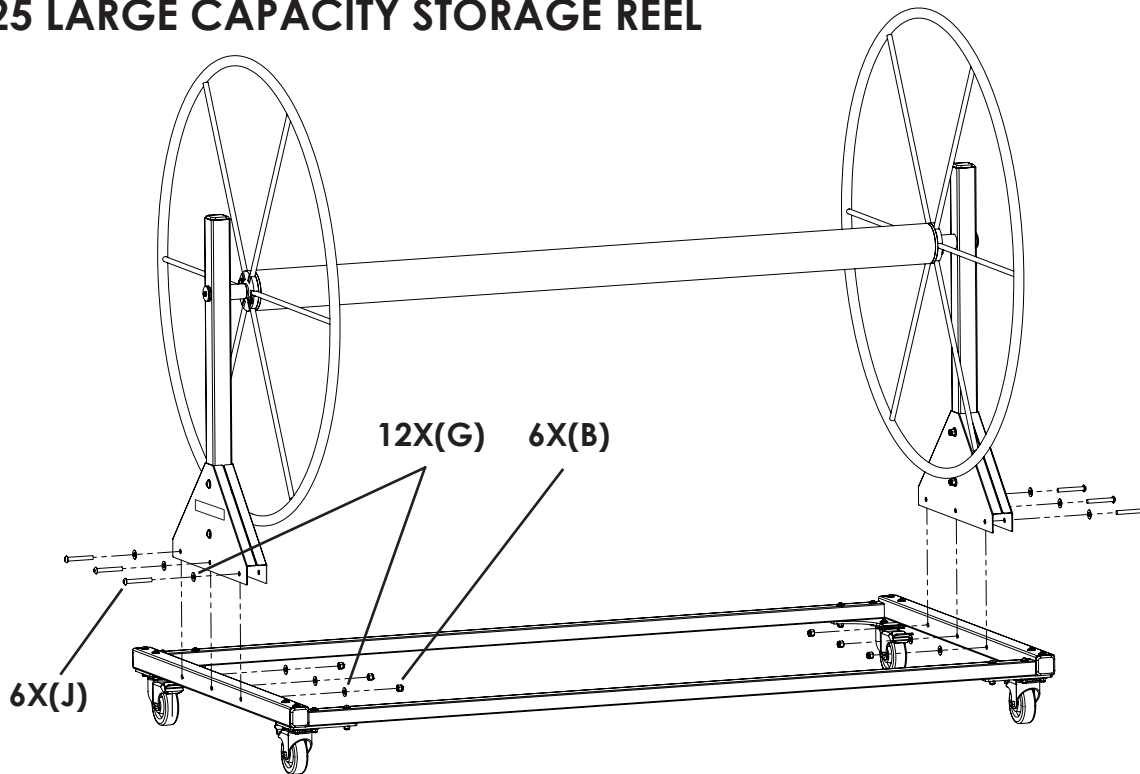

60.1425 DELUXE LARGE CAPACITY STORAGE REEL

STEP 7 :

Engage the lock on each swivel locking caster before this step.
Tighten all hardware completely.
